Who Put Your Information Online?

Bell Ringer: Who Chose to Share This?

You have 5 minutes. Read about Sara's locker and the office bulletin board. Then answer each question in the box under it.

Sara goes to Oakdale High. A visitor walks down the hall and reads two things.

Sara's locker

Sara put band stickers on her locker door. A friend taped up a beach photo of Sara and wrote "miss you" on it.

The office bulletin board

A sheet lists the swim team for Saturday, and Sara's name is on it with a start time. The office posted it.

1. Which thing did Sara choose to share herself? Write 1 sentence.

2. Which thing did the school share without asking Sara? Write 1 sentence.
