

GLOSSARY

Vocabulary

This glossary has 10 terms, every one of them an answer in the guided notes word bank.

Who Put Your Information Online?

Term	What it means
Digital footprint	Your digital footprint is all the information about you that can be found online.
Post	A post is a photo, comment or video that someone shares online.
Search results	Search results are the pages that come up when you search for something.
Tag	A tag links a person's name or account to a post.
Notification	A notification is an alert an app sends you, like when someone tags you.
Permission	Permission means a person agreed before something about them was shared.
Organization	An organization is a group like a school, a team, a club or a newspaper.
Public page	A public page is a web page that anyone can read.
Activity record	An activity record is a list an app keeps of what you open, search and watch.
Privacy policy	A privacy policy explains what an app collects and who it shares it with.
