BELL RINGER

# Day 1 — Cybersecurity Protects Data, Devices and Networks

## Bell Ringer: What's on Your Phone?

Name: _____ Date: _____

*Think about a phone that you or your family use. Then answer both questions.*

| Your phone |
| --- |
| A phone holds photos, messages, contacts, apps and more.<br>Some of these things are private. |

**1.** List three things on a phone that a stranger should not see. Write 1 sentence.

**2.** Pick one of the three. What could go wrong if a stranger saw it? Write 1 sentence.
