BELL RINGER

Day 2 — How Information Security Grew into Cybersecurity

Bell Ringer: Phones Go Online

Name: _____ Date: _____

Read about Malik's two phones. Then answer both questions.

Malik's two phones
Malik's first phone could only make calls and send texts. His new phone goes online. It has apps, a web browser, a photo backup and a bank app.

1. Name two things Malik can do on his new phone that he couldn't do on his first phone. Write 1 sentence.

2. What new danger does his new phone face because it goes online? Write 1 sentence.
