BELL RINGER

Day 3 — Find the Bonus Bug

Bell Ringer: Laps and Powers

Name: _____ Date: _____

Read the program. Then answer both questions.

```
1  laps = 10
2  laps //= 3
3  laps **= 2
4  print(laps)
```

1. Write the 1 line this program prints.

2. Rewrite line 2 so it does the same job with no update operator. Write 1 line of code.
