GOOGLE SLIDES

Google Slides

The PowerPoint in this folder is also a Google Slides deck. It has the same slides and the same speaker notes.

Make your copy

1. Click the link below. Google asks if you want to make a copy. Click **Make a copy**.
2. Your copy is saved in your Google Drive. It's yours, so you can change anything in it. Nothing you change affects anyone else.
3. To teach with it, open your copy and click **Slideshow** at the top right. Your speaker notes are under each slide.
