JOB-SHADOW OBSERVATION SHEET

FOR STUDENTS

Fill this in during and right after your shadow or guest speaker. Write what you actually see and hear, not what you think should happen.

Your name _____

Company or organization _____

Role you observed _____

1 Date _____

Three tasks you saw them do

One skill you saw them use

One question you still have

What surprised you most

Do this after your speaker, shadow, tour, or project. Reflection is where the experience turns into learning you can use, so be honest.

Experience _____

Date _____

What I learned about this job or field

Would I want this job? Why or why not?

A skill I have that fits this work, and one I would need to build

My next step

A course to take, a person to email, a certification to look up, a question to answer.
